---

## EXPERIENCES

---

### **FREELANCE- 2020 - TILL DATE**

- Build landing pages of websites
- Carry out data analysis on given datasets
- Teach introduction to software development and data analysis
- Technical writings on network security, database management and python

### **ANGLICAN GIRLS' COLLEGE, KETU-IJANIKIN (ICT TEACHER) OCT 2021 - TILL DATE**

- Create lesson plans and prepare delivery notes
- Create and supervise laboratory activities for students
- Assess students performance and maintain classroom records

### **LOS LIFESTYLE CO, LAGOS (Executive Assistant) FEB 2021 – JUNE 2021**

- Managed diary and scheduled meetings and appointments
- Organized travels and itineraries
- Took notes and wrote minutes during meetings.

### **SWEET SENSATION CONFECTIONERY, LAGOS – Quality Control Executive NOV 2019 – JUNE 2020**

- Ensured food products met the standard set by company and regulatory authorities.
- Inspected raw food produce to ensure consistency and integrity.
- Ensured quality and safety policies for food products preparations were strictly followed.

### **RISE INTERNATIONAL SCHOOLS, DELTA – Science Teacher JAN 2017 - JAN 2018**

- Evaluated students' knowledge by conducting regular quizzes, class tests and required assessments.
- Assessed submitted class assessment for conformance with instructions and understanding of study materials.
- Reviewed class works with struggling students to increase their chances of success.
- Ensured that assigned classes were consistently focused on learning.
