

OLUWAFUNMILAYO OWOLABI

FRONTEND DEVLOPER

+2347032955898 - damilolaowolabi55@gmail.com - github.com/dfunmi

I'm a frontend developer with 3+ years of experience building clean, responsive web interfaces that users love. I work with HTML5, CSS, JavaScript (ES6+), React.js, Next.js, Tailwind css, Git & Version Control and I take pride in getting the details right. I enjoy collaborating across teams, learning continuously, and building things that actually make a difference.

TECHNICAL SKILLS

EXPERIENCE

ARCANUM LAB

FRONTEND DEVLOPER

2024 - TILL DATE

- Built and maintained responsive landing pages and marketing websites using React.js and Tailwind CSS, achieving high Lighthouse performance scores.
- Translated Figma designs into pixel-perfect, cross-browser compatible interfaces with clean, maintainable code.
- Integrated form handling, email capture services, and GA4 analytics to support conversion-focused campaigns.
- Applied on-page SEO best practices and WCAG accessibility all delivered pages.

UNIVELCITY

FULL STACK INTERN (2023)

- Develop user interface features using HTML, CSS, Javascript, React.js, Next.js, and Tailwind.
- Participate in the entire software development lifecycle from the idea formation stage to deployment.
- Collaborate with senior developers, learning best practices, and understanding software architecture.
- Engage in code reviews to improve my skills and learn from experienced team members.
